

# TIERRA SECRETA

## Production Area :

DO Curicó, Chile

From the quiet heart of Chile's Curicó Valley emerges a rare union of two iconic grapes: Chile's emblematic Carménère and Argentina's celebrated Malbec. Grown side by side, they create a powerful harmony —Carménère lending spice and elegance, while Malbec contributes bold fruit and silky depth.

Aged for 15 months in French oak, a tribute to cross-border harmony, it reflects the purity of dry-farmed vines, the patience of time, and the precision of purposeful craft.
