

# TIERRA SECRETA

## Production Area :

DO Colchagua, Chile

A secret whispered through generations, The Blend is the quiet legacy of the Duveau family—crafted in silence, revealed only in the glass. Four noble grapes come together not in pursuit of power alone, but in search of perfect harmony. The winemaker remains unnamed, yet his hand is unmistakably present in every bottle.

A secret ratio known only to the Duveau family unites Old World blending tradition with the character of Chilean terroir. 18 in French oak add quiet depth and texture, each detail shaped with patience and intention.
